**LANTERNS METROPOLITAN DISTRICT NO. 1  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Lanterns Metropolitan District No. 1, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the Town of Castle Rock in February 2004, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town Council of the Town of Castle Rock, and as modified on September 16, 2014. The District's service area is located in the Town of Castle Rock, in Douglas County. District Nos. 1-3 are authorized to implement the Capital Plan and Financial Plan within their respective boundaries. District No. 4 and District No. 5 are being organized to provide operations and maintenance services to the Service Area and will function as overlay districts that will share boundaries with District Nos. 1-3.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

The Service Plan for District Nos. 1-3 limits the aggregate amount of debt that they may issue together to \$87,000,000.

The District has no employees and all administrative functions are contracted

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases**

On July 31, 2019, the District issued Series 2019A Limited Tax General Obligation Bonds, Series 2019B Subordinate Limited Tax General Obligation Bonds, and Series 2019C Junior Lien Limited Tax General Obligation Bonds in the total amount of \$22,120,000.

Proceeds of the Senior Bonds will be used to: (i) fund and reimburse a portion of the costs of acquiring, constructing, and installing certain public improvements; (ii) pay capitalized interest on the Senior Bonds; (iii) fund the initial deposit to the Senior Surplus Fund; and (iv) pay other costs in connection with the issuance of the Bonds. Proceeds of the Subordinate Bonds will be used to fund and reimburse additional public improvements related to the Development and pay certain costs of issuance.

The Senior Bonds are two term bonds with respective maturities of December 1, 2039 and December 1, 2049. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2024. The Senior Bonds will bear interest at 5.00%, payable semiannually on June 1 and December 1 of each year, commencing December 1, 2019. The Bonds mature on December 1, 2049.

To the extent the principal of any Senior Bond is not paid when due, such principal shall remain outstanding until paid or discharged as described below. To the extent interest on any Senior Bond is not paid when due, such interest shall compound semiannually on each June 1 and December 1 at the rate borne by the Senior Bond. The District shall not be obligated to pay more than the amount permitted by law and the Election in repayment of the Senior Bonds. In the event any amount of principal of or interest on the Senior Bonds remains unpaid after the application of all available Senior Pledged Revenue on December 1, 2054, the Senior Bonds shall be deemed discharged and shall no longer be due and outstanding.

The Subordinate Bonds will bear interest at 7.75% and mature on December 15, 2049. The Subordinate Bonds constitute subordinate "cash flow" bonds, meaning that no regularly scheduled principal payments are due prior to the maturity date, and interest payments not paid when due will accrue and compound until sufficient Subordinate Pledged Revenue is available for payment. Principal and interest payments are due on the Subordinate Bonds on each December 15 only to the extent of available Subordinate Pledged Revenue.

In the event that the Subordinate Pledged Revenue is insufficient to pay the Subordinate Bonds, the unpaid principal will continue to bear interest and the unpaid interest will compound annually on December 15 until the total repayment obligation of the District for the Subordinate Bonds equals the amount permitted by law and the Election. In the event that any amount of principal of or interest on the Subordinate Bonds remains unpaid after the application of all available Subordinate Pledged Revenue on December 15, 2054, the Subordinate Bonds shall be deemed discharged and shall no longer be due and outstanding.

The Junior Lien Bonds are assumed to bear interest at 10.00% and mature on December 15, 2049. The Junior Lien Bonds constitute junior lien "cash flow" bonds, meaning that no regularly scheduled principal payments are due prior to the maturity date, and interest payments not paid when due will accrue and compound until sufficient Junior Lien Pledged Revenue is available for payment.
