LANTERNS METROPOLITAN DISTRICT NO. 4 2024 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

Lanterns Metropolitan District No. 4, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for the Town of Castle Rock on January 17, 2019, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town Council of the Town of Castle Rock on August 21, 2018. The District's service area is located in the Town of Castle Rock, in Douglas County.

The District was established to provide financing for the operations and maintenance services to the Service area and will function as an overlay district that will share boundaries with District Nos. 1-3.

District No. 4 shall not be permitted to issue Debt without Town consent but is permitted to own, operate, and maintain Public Improvements and impose an ad valorem property tax mill levy to fund operation and maintenance services.

The District has no employees and all administrative functions are contracted

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.
