To the Board of Directors Lanterns Metropolitan District No. 3

Opinions

We have audited the accompanying financial statements of the governmental activities and the major funds of Lanterns Metropolitan District No. 3 (the District), as of and for the year ended December 31, 2023 and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major funds of Lanterns Metropolitan District No. 3, as of December 31, 2023, and the respective changes in financial position and the budgetary comparison for the General Fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lanterns Metropolitan District No. 3 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lanterns Metropolitan District No. 3's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lanterns Metropolitan District No. 3's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lanterns Metropolitan District No. 3's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Lanterns Metropolitan District No. 3's financial statements as a whole. The supplementary information section, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary information as listed in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the summary of assessed valuation, mill levy, and property taxes collected but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Sincerely,

Haynie & Company

NOTE 1 DEFINITION OF REPORTING ENTITY

Lanterns Metropolitan District No. 3 (District), a quasi-municipal corporation and a political subdivision of the state of Colorado, was organized by Order and Decree of the District Court for the Town of Castle Rock on November 25, 2014, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town Council of the Town of Castle Rock, and as modified on September 16, 2014. The District's service area is located in the Town of Castle Rock, in Douglas County. District Nos. 1-3 are authorized to implement the Capital Plan and Financial Plan within their respective boundaries. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services. The Service Plans for District Nos. 1-3 limits the aggregate amount of debt that they may issue together to \$87,000,000. District No. 4 and District No. 5 are being organized to provide operations and maintenance services to the Service Area and will function as overly districts that will share boundaries with District Nos. 1-3.

The District follows the Governmental Accounting Standards Board (GASB) accounting pronouncements, which provide guidance for determining which governmental activities, organizations and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of a governmental organization's elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency.

The District has no employees, and all operations and administrative functions are contracted.

The District is not financially accountable for any other organization, nor is the District a component unit of any other primary governmental entity.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The more significant accounting policies of the District are described as follows:

Government-Wide and Fund Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These financial statements include all of the activities of the District. The effect of interfund activity has been removed from these statements. Governmental activities are normally supported by taxes and intergovernmental revenues.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued)

The statement of net position reports all financial and capital resources of the District. The difference between the sum of assets and deferred outflows and the sum of liabilities and deferred inflows is reported as net position.

The statement of activities demonstrates the degree to which the direct and indirect expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The major sources of revenue susceptible to accrual are property taxes, and specific ownership taxes. All other revenue items are considered to be measurable and available only when cash is received by the District. Expenditures, other than interest on long-term obligations, are recorded when the liability is incurred or the long-term obligation is due.

The District reports the following major governmental funds:

The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Debt Service Fund accounts for the resources accumulated and payments made for principal and interest on long-term debt of the governmental funds.

The Capital Projects Fund is used to account for financial resources to be used for the acquisition and construction of capital equipment and facilities.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Budgets

In accordance with the State Budget Law, the District's Board of Directors holds public hearings in the fall each year to approve the budget and appropriate the funds for the ensuing year. The appropriation is at the total fund expenditures and other financing uses level and lapses at year-end. The District's Board of Directors can modify the budget by line item within the total appropriation without notification. The appropriation can only be modified upon completion of notification and publication requirements. The budget includes each fund on its basis of accounting unless otherwise indicated.

Pooled Cash and Investments

The District follows the practice of pooling cash and investments of all funds to maximize investment earnings. Except when required by trust or other agreements, all cash is deposited to and disbursed from a single bank account. Cash in excess of immediate operating requirements is pooled for deposit and investment flexibility. Investment earnings are allocated periodically to the participating funds based upon each fund's average equity balance in the total cash and investments.

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property taxes, net of estimated uncollectible taxes, are recorded initially as deferred inflow of resources in the year they are levied and measurable. The unearned property tax revenues are recorded as revenue in the year they are available or collected.

Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business- type activities columns in the government-wide financial statements. Capital assets are defined by the District as assets with an initial, individual cost of more than \$5,000. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

Capital assets which are anticipated to be conveyed to other governmental entities are recorded as construction in progress, and are not included in the calculation of the net investment in capital assets component of the District's net position.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Capital Assets (Continued)

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related fixed assets, as applicable.

Depreciation on property that will remain assets of the District is reported on the statement of activities as a current charge. Improvements that will be conveyed to other governmental entities are classified as construction in progress and are not depreciated. Land and certain landscaping improvements are not depreciated. No depreciation expense was recognized during 2023.

Deferred Inflows of Resources

In addition to liabilities, the statement of net position reports a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The District has one item that qualifies for reporting in this category. Accordingly, the item, deferred property tax revenue, is deferred and recognized as an inflow of resources in the period that the amount becomes available.

Equity

Net Position

For government-wide presentation purposes when both restricted and unrestricted resources are available for use, it is the government's practice to use restricted resources first, then unrestricted resources as they are needed.

Fund Balance

Fund balance for governmental funds should be reported in classifications that comprise a hierarchy based on the extent to which the government is bound to honor constraints on the specific purposes for which spending can occur. Governmental funds report up to five classifications of fund balance: nonspendable, restricted, committed, assigned, and unassigned. Because circumstances differ among governments, not every government or every governmental fund will present all of these components. The following classifications describe the relative strength of the spending constraints:

Nonspendable Fund Balance – The portion of fund balance that cannot be spent because it is either not in spendable form (such as prepaid amounts or inventory) or legally or contractually required to be maintained intact.

Restricted Fund Balance – The portion of fund balance that is constrained to being used for a specific purpose by external parties (such as bondholders), constitutional provisions, or enabling legislation.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Equity (Continued)

Fund Balance (Continued)

Committed Fund Balance – The portion of fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority, the Board of Directors. The constraint may be removed or changed only through formal action of the Board of Directors.

Assigned Fund Balance – The portion of fund balance that is constrained by the government's intent to be used for specific purposes, but is neither restricted nor committed. Intent is expressed by the Board of Directors to be used for a specific purpose. Constraints imposed on the use of assigned amounts are more easily removed or modified than those imposed on amounts that are classified as committed.

Unassigned Fund Balance – The residual portion of fund balance that does not meet any of the criteria described above.

If more than one classification of fund balance is available for use when an expenditure is incurred, it is the District's practice to use the most restrictive classification first.

NOTE 3 CASH AND INVESTMENTS

Cash and investments as of December 31, 2023, are classified in the accompanying financial statements as follows:

Statement of Net Position:	
Cash and Investments	\$ 12,342
Cash and Investments - Restricted	 11,473,020
Total Cash and Investments	\$ 11,485,362

Cash and investments as of December 31, 2023, consist of the following:

Deposits with Financial Institutions	\$ 12,342
Investments	 11,473,020
Total Cash and Investments	\$ 11,485,362

Cash Deposits

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories. Eligibility is determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least 102% of the aggregate uninsured deposits.

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

Cash Deposits (Continued)

The State Commissioners for banks and financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

At December 31, 2023, the District's cash deposits had a bank balance and a carrying balance of \$12,342.

Investments

The District has not adopted a formal investment policy; however, the District follows State statutes regarding investments.

The District generally limits its concentration of investments to those noted with an asterisk (*) below, which are believed to have minimal credit risk, minimal interest rate risk and no foreign currency risk. Additionally, the District is not subject to concentration risk or investment custodial risk disclosure requirements for investments that are in the possession of another party.

Colorado Revised Statutes limit investment maturities to five years or less unless formally approved by the Board of Directors. Such actions are generally associated with a debt service reserve or sinking fund requirements.

Colorado statutes specify investment instruments meeting defined rating and risk criteria in which local governments may invest which include:

- . Obligations of the United States, certain U.S. government agency securities and securities of the World Bank
- . General obligation and revenue bonds of U.S. local government entities
- . Certain certificates of participation
- . Certain securities lending agreements
- . Bankers' acceptances of certain banks
- . Commercial paper

COLOTRUST

The District invested in the Colorado Local Government Liquid Asset Trust (COLOTRUST) (the Trust), an investment vehicle established for local government entities in Colorado to pool surplus funds. The State Securities Commissioner administers and enforces all State statutes governing the Trust. The Trust currently offers three portfolios – COLOTRUST PRIME, COLOTRUST PLUS+, and COLOTRUST EDGE.

COLOTRUST PRIME and COLOTRUST PLUS+, which operate similarly to a money market fund and each share is equal in value to \$1.00, offer daily liquidity. Both portfolios may invest in U.S. Treasury securities and repurchase agreements collateralized by U.S. Treasury securities. COLOTRUST PLUS+ may also invest in certain obligations of U.S. government agencies, highest rated commercial paper, and any security allowed under CRS 24-75-601.

COLOTRUST EDGE, a variable Net Asset Value (NAV) Local Government Investment Pool, offers weekly liquidity and is managed to approximate a \$10.00 transactional share price. COLOTRUST EDGE may invest in securities authorized by Section 24-75-601.1, C.R.S., including U.S. Treasury securities, repurchase agreements collateralized by U.S. Treasury securities, certain obligations of U.S. government agencies, and highest rated commercial paper.

A designated custodial bank serves as custodian for the Trust's portfolios pursuant to a custodian agreement. The custodian acts as safekeeping agent for the Trust's investment portfolios and provides services as the depository in connection with direct investments and withdrawals. The custodian's internal records segregate investments owned by the Trust. COLOTRUST PRIME and COLOTRUST PLUS+ are rated AAAm by Standard & Poor's. COLOTRUST EDGE is rated AAAf/S1 by FitchRatings. COLOTRUST records its investments at fair value and the District records its investment in COLOTRUST at net asset value as determined by fair value. There are no unfunded commitments, the redemption frequency is daily or weekly, and there is no redemption notice period.

The details of the District's long-term obligations are as follows:

Limited Tax General Obligation Bonds, Series 2021A-1 (the Senior Bonds), Limited Tax General Obligation Convertible Capital Appreciation Bonds, Series 2023A-2 (the Capital Appreciation Bonds), and Subordinate Limited Tax General Obligation Bonds Series 2023B (the Subordinate Bonds, and together with the Senior Bonds, and the bonds, the Bonds)

Bond Details

The District issued bonds on October 27, 2023, in the par amounts of \$9,100,000 for the Limited Tax General Obligation Bonds, Series 2023A-1 (the 2023A-1 Bonds), \$5,461,793, appreciating to a principal amount of \$8,145,000, for the Limited Tax General Obligation Convertible Capital Appreciation Bonds, Series 2023A-2 (the 2023A-2 Bonds), and \$2,175,000 for the Subordinate Limited Tax General Obligation Bonds, Series 2023A-1 Bonds, Series 2023B (the Subordinate Bonds, and together with the 2023A-1 Bonds and 2023A-2 Bonds, the Bonds).

The Bonds may be subject to acceleration pursuant to mandatory redemption provisions as described in the applicable Indenture and do not have any unused lines of credit. No assets have been pledged as collateral on the Bonds.

Senior Bonds Details

The 2023A-1 Bonds bear interest at 7.25%, payable semi-annually on June 1 and December 1, beginning on December 1, 2023. Annual mandatory sinking fund principal payments are due on December 1 of each year beginning on December 1, 2030. The 2023A-1 Bonds mature on December 1, 2053.

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

Senior Bonds Details (Continued)

To the extent principal of any 2023A-1 Bond is not paid when due, such principal shall remain outstanding until paid subject to the Senior Termination Date. To the extent interest on any 2023A-1 Bond is not paid when due, such interest shall compound semiannually on each interest payment date, at the rate then borne by the 2023A-1 Bond.

The Senior Bonds and interest thereon will be deemed to be paid, satisfied, and discharged on December 2 of the year which is thirty-six (36) years after the First Debt Service Mill Levy Imposition Year of the Senior Required Mill Levy (the Senior Termination Date), regardless of the amount of principal and interest remaining unpaid.

Events of default on the Senior Bonds occur if the District fails to impose the Senior Required Mill Levy, or to apply the Senior Pledged Revenues as required by the Senior Indenture and does not comply with other customary terms and conditions consistent with normal municipal financing as described in the Senior Indenture. Acceleration of the Senior Bonds shall not be an available remedy for an Event of Default.

Senior Bonds Pledged Revenue

The Senior Bonds are secured by and payable solely from and to the extent of the Senior Pledged Revenue consisting of moneys derived by the District from (i) the Senior Required Mill Levy, net of fees of the County, (ii) Specific Ownership Taxes collected as a result of the imposition of the Senior Required Mill Levy, and (iii) any other legally available moneys which the District determines to apply as Senior Pledged Revenue.

"Senior Specific Ownership Tax Revenues" mean the specific ownership taxes remitted to the District as a result of its imposition of the Senior Required Mill Levy.

"Capital Fees" are defined as all fees, rates, tolls, penalties, and charges of a capital nature (excluding periodic, recurring service charges) imposed by the District for services, programs, or facilities furnished by the District. Capital Fees do not include any other fee imposed by the District solely for the purpose of funding operation and maintenance expenses. While Capital Fees are pledged to the payment of the Bonds, the District currently does not impose Capital Fees.

The Bonds are secured by and payable from moneys derived by the District from the following sources:

Capital Appreciation Bonds Details

The 2023A-2 Bonds were issued as capital appreciation bonds, convertible to current interest bonds on December 1, 2028. Prior to conversion to current interest bonds, the 2023A-2 Bonds accrete in value at an annual yield equal to 8.00% from their date of issuance. The accreted amount compounds semi-annually on June 1 and December 1, beginning on December 1, 2023, to and including December 1, 2028. Such accreted amount, together with the original principal amount of the 2023A-2 Bonds, bears additional interest at 8.00%. The accreted 2023A-2 Bonds principal balance at conversion on December 1, 2028, will be \$8,145,000.

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

Capital Appreciation Bonds Details (Continued)

Upon conversion to current interest bonds, interest is payable semi-annually on June 1 and December 1, commencing on December 1, 2028. Annual principal payments are due on December 1 of each year, with a final maturity on December 1, 2053.

Capital Appreciation Bonds Pledged Revenue

The Senior Bonds are secured by and payable solely from and to the extent of the Senior Pledged Revenue consisting of moneys derived by the District from (i) the Senior Required Mill Levy, net of fees of the County, (ii) Specific Ownership Taxes collected as a result of the imposition of the Senior Required Mill Levy, and (iii) any other legally available moneys which the District determines to apply as Senior Pledged Revenue.

Capital Appreciation Required Mill Levy

The Senior Required Mill Levy is an ad valorem mill levy imposed upon all taxable property of the District each year, commencing in the First Debt Service Mill Levy Imposition Year, in the number of mills which will generate property tax revenue in an amount sufficient to pay the Senior Bonds as they come due, but not in excess of 63.600 mills, as adjusted and for changes occurring in the method of calculating assessed valuation after January 1, 2018, and for so long as the amount in the Surplus Fund is less than the Maximum Surplus Amount, not less than 63.600 mills, as adjusted.

First Debt Service Mill Levy Imposition Year means the first year after the issuance of the Senior Bonds in which the certified assessed valuation of that portion of the taxable property of the District which is classified as "residential" by the County Assessor is \$50,000 or more.

Subordinate Bonds Details

The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. The Subordinate Bonds bear interest at the rate of 9.25% per annum. Principal and interest on the Subordinate Bonds is payable annually on each December 15 commencing December 15, 2023, payable only from and to the extent of available Subordinate Pledged Revenue in the Subordinate Bond Fund.

To the extent principal of any bond is not paid when due, such principal is to remain outstanding until the earlier of its payment or the Subordinate Termination Date and is to continue to bear interest at the rate then borne by the Subordinate Bond. In the event interest on any bond is not paid when due, such interest is to compound annually on each December 15, at the rate then borne by the Subordinate Bond.

The Subordinate Bonds and interest thereon will be deemed to be paid, satisfied, and discharged on December 16 of the year which is thirty-six (36) years after the First Debt Service Mill Levy Imposition Year of the Subordinate Required Mill Levy (the Subordinate Termination Date), regardless of the amount of principal and interest remaining unpaid.

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

Subordinate Bonds Details (Continued)

Events of default on the Subordinate Bonds occur if the District fails to impose the Subordinate Required Mill Levy, or to apply the Subordinate Pledged Revenues as required by the Subordinate Indenture and does not comply with other customary terms and conditions consistent with normal municipal financing as described in the Subordinate Indenture. Acceleration of the Subordinate Bonds shall not be an available remedy for an Event of Default.

Subordinate Bonds Pledged Revenue

The Subordinate Bonds are secured by and payable solely from and to the extent of the Subordinate Pledged Revenue consisting of moneys derived by the District from (i) the Subordinate Required Mill Levy, net of fees of the County, (ii) Specific Ownership Taxes collected as a result of the imposition of the Subordinate Required Mill Levy, and (iii) any other legally available moneys which the District determines to apply as Subordinate Pledged Revenue.

Subordinate Required Mill Levy

The Subordinate Required Mill Levy is an ad valorem mill levy imposed upon all taxable property of the District each year, commencing in the First Debt Service Mill Levy Imposition Year, in the amount of 63.600 mills, as adjusted, minus the number of mills equal to the Senior Bond Mill Levy for the same levy year.

Senior Bonds Debt Service

The outstanding principal and interest of the Senior Bonds are due as follows:

At an election conducted November 6, 2018, a majority of the qualified electors of the District who voted in the elections authorized the issuance of general obligation indebtedness in an amount not to exceed \$870,000,000 for providing public improvements. However, the Service Plan limits the total issuance of general obligation debt for District Nos. 1-3 to an aggregate amount of \$87,000,000.

At December 31, 2023, with the issuance of the Series 2023A-1 Bonds, Series 2023A-2 Bonds, and the Series 2023B(2) Bonds, the District had authorized but unissued indebtedness authorized by election remaining in the amount of \$853,263,207 for public improvements and refunding and authorized but unissued indebtedness authorized by the service plan in the amount of \$16,736,793. The District also had \$870,000,000 in authorized but unissued but unissued general obligation indebtedness for refunding purposes.

The allocation of authorized debt is dependent upon the cost acceptance resolutions and the corresponding Project Requisitions.

NOTE 5 LONG-TERM OBLIGATIONS (CONTINUED)

Authorized Debt (Continued)

In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt on behalf of the Districts for purposes of providing public improvements to support development as it occurs within the Districts' service areas.

On July 24, 2019, The Lanterns Metropolitan District No. 1 issued its Limited Tax General Obligation Bonds, Series 2019A in the par amount of \$18,740,000, Subordinate Limited Tax General Obligation Bonds, Series 2019B in the par amount of \$2,051,000, and its Junior Lien Limited Tax General Obligation, Bonds Series 2019C in the par amount of \$1,329,000. The remaining Service Plan authorized debt is \$22,120,000 as of December 31, 2023.

On August 12, 2021, The Lanterns Metropolitan District No. 2 issued its Limited Tax General Obligation Bonds, Series 2021A(3) in the par amount of 25,482,000. The remaining Service Plan authorized debt is \$61,518,000 as of December 31, 2023.

Developer Advances

The District entered into a Funding and Reimbursement Agreement with Toll Southwest, LLC (the Developer), in 2023, for the purpose of funding certain operation and maintenance expenses (see Note 7).

The District entered into an Infrastructure and Reimbursement Agreement with Toll Southwest, LLC (the Developer), in 2023, for the purpose of funding certain capital expenditures (see Note 7).

NOTE 6 NET POSITION

The District has a deficit in unrestricted net position. This deficit amount is a result of the District being responsible for the repayment of bonds issued for public improvements and expenses paid by advances from Developer.

NOTE 7 AGREEMENTS

Intergovernmental Agreement between Lantern Metropolitan Districts Nos. 1-5 (Districts) and the Town of Castle Rock

The District, in conjunction with Lanterns Metropolitan District Nos. 1, 2, 4, and 5, entered into an Intergovernmental Agreement (Second IGA) with the Town dated February 25, 2019. Pursuant to the Second IGA, the Districts agree to certain items, inclusive of the following items.

NOTE 7 AGREEMENTS (CONTINUED)

Intergovernmental Agreement between Lantern Metropolitan Districts Nos. 1-5 (Districts) and the Town of Castle Rock (Continued)

<u>Operations and Maintenance</u> – District Nos. 1-3 are authorized to implement the Capital Plan and Financial Plan within their respective boundaries. District No. 4 and District No. 5 are organized to provide operations and maintenance services to the service area. The Districts shall dedicate the public improvements to the Town or other appropriate jurisdiction or owners association in accordance with the then current Town requirements. The Districts are authorized, but not obligated, to own, operate and maintain public improvements not otherwise dedicated to the Town or other public entity.

<u>Fire Protection</u> – The Districts are not authorized to provide fire protection facilities or services unless provided pursuant to an intergovernmental agreement with the Town. This agreement does not limit the authority to provide fire hydrants and related water systems. The Districts will obtain fire protection and emergency response services from the Town.

<u>Privately Placed Debt Limitation</u> – District Nos. 1-3 will obtain the certification of an external financial advisor prior to the issuance of any privately placed debt.

<u>Total Debt Issuance</u> – District Nos. 1-3 shall not issue debt in excess of \$87,000,000. The limitation shall not apply for the purpose of refunding, refinancing, reissuing, or restructuring outstanding debt. District No. 4 and District no. 5 shall not be permitted to issue debt.

<u>Fee Limitation</u> – District Nos. 1-3 may impose and collect a development fee, imposed for repayment of debt and capital costs, not to exceed \$2,000 per unit, plus a 1% cost of living adjustment from January 1, 2016 forward.

<u>Maximum Debt Mill Levy</u> – The Maximum Debt Mill Levy shall not exceed 63.600 mills, as adjusted for changes in the method of calculating assessed valuation on or after January 1, 2018.

<u>Maximum Debt Mill Levy Imposition Term</u> – The Districts shall not impose a levy for repayment of debt which exceeds 35 years after the year of initial imposition of such mill levy unless a majority of the Board of Directors of the District are residents of the District and have voted in favor of a refunding of all or part of the debt and such refunding will result in a net present value savings.

<u>Operations and Maintenance Mill Levy</u> – A District shall not impose a mill levy for operations, which when combined with its debt service mill levy exceeds 74.600 mills, as adjusted for changes in the method of calculating assessed valuation on or after January 1, 2018.

NOTE 7 AGREEMENTS (CONTINUED)

Funding and Reimbursement Agreement with Toll Southwest LLC

The District entered into the Funding and Reimbursement Agreement (Operations and Maintenance) (O&M Agreement) with Toll Southwest, LLC (Developer) dated September 5, 2023. Pursuant to the O&M Agreement, the Developer agrees to advance funds to the District, for operation and maintenance expenses, one or more sums of money, not to exceed the aggregate of \$50,000 per annum for fiscal years 2023 through 2024. The maximum amount to be advanced for Operations and Maintenance Expenses pursuant to this agreement is \$100,000. The District agrees to repay these advances together with accrued simple interest at a rate of 4% per annum accruing from the date any such advance is made. The term of repayment under the O&M Agreement shall not extend beyond 20 years from the date of the O&M Agreement. At December 31, 2023, the advances had a balance of \$50,849 and accrued interest totaled \$99.

Infrastructure Acquisition and Reimbursement Agreement with Toll Southwest LLC

The District entered into the Infrastructure Acquisition and Reimbursement Agreement (IA Agreement) with the Developer dated September 5, 2023. Pursuant to the IA Agreement, the District agreed to reimburse the Developer for related expenses, subject to cost verification and other terms of the IA Agreement from the Project Fund. The parties agreed that only completed phases of work shall be eligible for reimbursement by the District. The District agrees to acquire certain public infrastructure constructed or caused to be constructed by the Developer to be owned by the District. the District's obligations under this Agreement shall terminate at the earlier of exhaustion of all amounts in the Project Fund or 20 years from the date of this Agreement.

NOTE 8 RELATED PARTIES

The property within the District is being developed by Toll Southwest LLC (Developer). The Developer has advanced funds to the District. The members of the Board of Directors of the District hold direct or indirect ownership interests in the Toll Southwest LLC or are otherwise associated with Toll Southwest LLC and may have conflicts of interest in dealing with the District. As and when required by law, each affected Board member files a written disclosure of any potential conflicts of interest with the District and the Colorado Secretary of State, and they refrain from voting on affected matters unless allowed by law.

NOTE 9 RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; thefts of, damage to, or destruction of assets; errors or omissions; injuries to employees; or acts of God.

The District is a member of the Colorado Special Districts Property and Liability Pool (the Pool). The Pool is an organization created by intergovernmental agreement to provide property, liability, public officials' liability, boiler and machinery and workers' compensation coverage to its members. Settled claims have not exceeded this coverage in any of the past three fiscal years.

NOTE 9 RISK MANAGEMENT (CONTINUED)

The District pays annual premiums to the Pool for liability, property, public officials' liability, and workers' compensation coverage. In the event aggregated losses incurred by the Pool exceed amounts recoverable from reinsurance contracts and funds accumulated by the Pool, the Pool may require additional contributions from the Pool members. Any excess funds which the Pool determines are not needed for purposes of the Pool may be returned to the members pursuant to a distribution formula.

NOTE 10 TAX, SPENDING, AND DEBT LIMITATIONS

Article X, Section 20 of the Colorado Constitution, commonly known as the Taxpayer's Bill of Rights (TABOR), contains tax, spending, revenue, and debt limitations which apply to the state of Colorado and all local governments.

Spending and revenue limits are determined based on the prior year's Fiscal Year Spending adjusted for allowable increases based upon inflation and local growth. Fiscal Year Spending is generally defined as expenditures plus reserve increases with certain exceptions. Revenue in excess of the Fiscal Year Spending limit must be refunded unless the voters approve retention of such revenue.

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of Fiscal Year Spending (excluding bonded debt service). Local governments are not allowed to use the Emergency Reserves to compensate for economic conditions, revenue shortfalls, or salary or benefit increases.

At an election held on November 8, 2016, a majority of the District's electors authorized the District to collect and spend or retain in a reserve all ad valorem property taxes and fees of the District without regard to any limitations under TABOR.

The District's management believes it is in compliance with the provisions of TABOR. However, TABOR is complex and subject to interpretation. Many of the provisions, including the interpretation of how to calculate Fiscal Year Spending limits will require judicial interpretation.
